1. Construction activity is still taking place at the airfield. Workers were engaged in building splinter-proof concrete revetments. The main control buildings were not yet completed.
2. The first aircraft arrived at the field on 2 June. These consisted of four MiG-15's and seven radial-engined training planes. The planes, manned by HVL pilots, were observed on training flights on most days prior to 17 June, on which date they hurriedly departed for Cottbus.
